I hope I have made your return back to office easier and you can confidently show up and be more prepared than ever. I understand that ordering and getting your favorite outfits might take some time. I am here for you whenever you receive each piece.

If there are items that are not as promised and you need to find new pair of coat, pants, shirt, etc, please contact me and I will find alternative options for you. For a small fee, you have the option for a virtual consultation while trying on all the new outfits.

For any other questions please email me and I will get back to you as soon as possible. Don't panic if an item in your lookbook has ran out of stock in your size, simply contact me and I will find a similar item that goes with the outfit.

Purchase and returns are your own responsibility. All the stores listed allow free in person returns. Online returns are seamless nowadays and typically free of charge. If you need tips with item returns please don't hesitate to contact me.
